Dear Parents/Guardians:

As we come to the end of what was a busy school year, first, let me thank you for your support and understanding as we, as a nation and school community, responded to the unexpected invasion of COVID-19 in March. I am very proud of the way our students, parents, staff, and stakeholders on a whole, handled the demands we were faced with to protect everyone as we continued to educate and protect our students during the most unusual of circumstances.

As you know, there continues to be concerns and questions related to how schools plan to reopen in September 2020. While we are in the business of educating, our first priority is the safety of our students and our staff. Be assured, we have been working diligently on our **2020- 2021** restart plans. Due to all the factors and information needed to plan as COVID-19 issues unfold, our comprehensive plan is being worked on and will be communicated to you. Our desire is to return to school as normal as possible but with enhanced safety and cleaning procedures. We must, however, be proactive and be prepared during these ever-changing times to continue educating our students if and when circumstances change.

Administrators and department leaders have been planning for increased safety procedures that can be taken all around our campus. We are hoping to begin school with enhanced safety precautions in place such as increased hand sanitizer availability, increased frequency of cleaning of high touch areas, limited visitation to campus, social distancing, etc. Our priority is to keep everyone safe!
